| Applikation              | WB                                                                                                                                                                                                                                                           |
| Produktbeschreibung      | This is a synthetic peptide designed for use in combination with anti-KDM3B Antibody (ARP33022_P050), made by Aviva Systems Biology. It may block above mentioned antibody from binding to its target protein in western blot and/or immunohistochemistry... |
| Molekulargewicht         | 83kDa                                                                                                                                                                                                                                                        |
