| Alternativnummer         | ASB-ARP30478_P050-25UL,ASB-ARP30478_P050-100UL                                                                                                                                 |
| Hersteller               | Aviva                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                               |
| Applikation              | WB                                                                                                                                                                             |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                  |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C-terminal region of Mouse Bcl2l2                                                                                    |
| Produktbeschreibung      | Bcl2l2 promotes cell survival. It blocks dexamethasone-induced apoptosis and mediates survival of postmitotic Sertoli cells by suppressing death-promoting activity of BAX.... |
| Klonalität               | Polyclonal                                                                                                                                                                     |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                      |
| Molekulargewicht         | 21kDa                                                                                                                                                                          |
| NCBI                     | <a href="#">12050</a>                                                                                                                                                          |
| UniProt                  | <a href="#">P70345</a>                                                                                                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
