| Alternativnummer         | ASB-ARP32629_T100-25UL,ASB-ARP32629_T100-100UL                                                                                                                                          |
| Hersteller               | Aviva                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Proteine/Peptide                                                                                                                                                                        |
| Applikation              | WB                                                                                                                                                                                      |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                                                                                                |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human HMX1                                                                                                   |
| Produktbeschreibung      | HMX1 acts as a transcriptional antagonist and is part of the Hmx family of homeodomain proteins which are predominately expressed in discrete regions of developing sensory tissues.... |
| Klonalität               | Polyclonal                                                                                                                                                                              |
| Konzentration            | 1.0 mg/ml                                                                                                                                                                               |
| Molekulargewicht         | 39kDa                                                                                                                                                                                   |
| NCBI                     | <a href="#">3166</a>                                                                                                                                                                    |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| UniProt      | <a href="#">Q9NP08</a>                                                                            |
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
