| Alternativnummer         | ASB-ARP35127_T100-25UL,ASB-ARP35127_T100-100UL                                                                 |
| Hersteller               | Aviva                                                                                                          |
| Wirt                     | Rabbit                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                               |
| Applikation              | WB                                                                                                             |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                       |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C terminal region of human CUL5                      |
| Produktbeschreibung      | CUL5 encodes a protein that is involved in the regulation of cellular growth and promotes vif ubiquination.... |
| Klonalität               | Polyclonal                                                                                                     |
| Konzentration            | 1.0 mg/ml                                                                                                      |
| Molekulargewicht         | 86kDa                                                                                                          |
| NCBI                     | <a href="#">8065</a>                                                                                           |
| UniProt                  | <a href="#">Q93034</a>                                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
