| Applikation              | IHC, WB                                                                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Bovine, Canine, Human, Mouse, Porcine, Rat                                                                                                                                                                                                                                 |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N-terminal region of human TRPV4                                                                                                                                                                                 |
| Produktbeschreibung      | This gene encodes a member of the OSM9-like transient receptor potential channel (OTRPC) subfamily in the transient receptor potential (TRP) superfamily of ion channels. The encoded protein is a Ca <sup>2+</sup> -permeable, nonselective cation channel that is tho... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                                 |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 60kDa                                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">59341</a>                                                                                                                                                                                                                                                      |

|              |                                                                                                   |
