## Product Datasheet

### GTF3C3 Antibody - N-terminal region ASB-ARP35841\_T100

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GTF3C3 Antibody - N-terminal region                                                                                                  |
| Artikelnummer            | ASB-ARP35841_T100                                                                                                                    |
| Hersteller Artikelnummer | ARP35841_T100                                                                                                                        |
| Alternativnummer         | ASB-ARP35841_T100-25UL,ASB-ARP35841_T100-100UL                                                                                       |
| Hersteller               | Aviva                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Proteine/Peptide                                                                                                                     |
| Applikation              | WB                                                                                                                                   |
| Spezies Reaktivität      | Bovine, Canine, Equine, Human, Mouse, Porcine, Rat                                                                                   |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human GTF3C3                                          |
| Produktbeschreibung      | GTF3C3 subunit of human transcription factor TFIIIIon Channel was identified as a DEDD- and FLAME-3-specific interacting protein.... |
| Klonalität               | Polyclonal                                                                                                                           |
| Konzentration            | 1.0 mg/ml                                                                                                                            |
| Molekulargewicht         | 101kDa                                                                                                                               |
| NCBI                     | <a href="#">9330</a>                                                                                                                 |
| UniProt                  | <a href="#">Q9Y5Q9</a>                                                                                                               |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
