| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                                                                                                                                                                                      |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C-terminal region of Human FEV                                                                                                                                                                      |
| Produktbeschreibung      | This gene belongs to the ETS transcription factor family. ETS family members have a highly conserved 85-amino acid ETS domain that binds purine-rich DNA sequences. The alanine-rich C-terminus of this gene indicates that it may act as a transcription ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 26kDa                                                                                                                                                                                                                                                         |
