## Product Datasheet

### DMRTC2 Antibody - N-terminal region ASB-ARP36091\_P050

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | DMRTC2 Antibody - N-terminal region                                                         |
| Artikelnummer            | ASB-ARP36091_P050                                                                           |
| Hersteller Artikelnummer | ARP36091_P050                                                                               |
| Alternativnummer         | ASB-ARP36091_P050-25UL,ASB-ARP36091_P050-100UL                                              |
| Hersteller               | Aviva                                                                                       |
| Wirt                     | Rabbit                                                                                      |
| Kategorie                | Proteine/Peptide                                                                            |
| Applikation              | WB                                                                                          |
| Spezies Reaktivität      | Human                                                                                       |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human DMRTC2 |
| Produktbeschreibung      | DMRTC2 belongs to the DMRT family.It may be involved in sexual development....              |
| Klonalität               | Polyclonal                                                                                  |
| Konzentration            | 0.5 mg/ml                                                                                   |
| Molekulargewicht         | 39kDa                                                                                       |
| NCBI                     | <a href="#">63946</a>                                                                       |
| UniProt                  | <a href="#">Q8IXT2</a>                                                                      |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
