| Hersteller               | Aviva                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                       |
| Applikation              | WB                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                  |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human ZNF417                                                                                            |
| Produktbeschreibung      | ZNF417 belongs to the krueppel C2H2-type zinc-finger protein family. It contains 13 C2H2-type zinc fingers and 1 KRAB domain. ZNF417 may be involved in transcriptional regulation.... |
| Klonalität               | Polyclonal                                                                                                                                                                             |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                              |
| Molekulargewicht         | 66kDa                                                                                                                                                                                  |
| NCBI                     | <a href="#">147687</a>                                                                                                                                                                 |
| UniProt                  | <a href="#">Q8TAU3</a>                                                                                                                                                                 |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
