| Artikelname              | ZFP42 Antibody - middle region                                                                           |
| Artikelnummer            | ASB-ARP36245_P050                                                                                        |
| Hersteller Artikelnummer | ARP36245_P050                                                                                            |
| Alternativnummer         | ASB-ARP36245_P050-25UL,ASB-ARP36245_P050-100UL                                                           |
| Hersteller               | Aviva                                                                                                    |
| Wirt                     | Rabbit                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                         |
| Applikation              | WB                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                    |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human ZFP42                   |
| Produktbeschreibung      | ZFP42 is a transcription factors and a specific marker of undifferentiated embryonic stem (ES) cells.... |
| Klonalität               | Polyclonal                                                                                               |
| Konzentration            | 0.5 mg/ml                                                                                                |
| Molekulargewicht         | 35kDa                                                                                                    |
| NCBI                     | <a href="#">132625</a>                                                                                   |
| UniProt                  | <a href="#">Q96MM3</a>                                                                                   |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
