| Alternativnummer         | ASB-ARP38915_P050-25UL,ASB-ARP38915_P050-100UL                                                                                                                                     |
| Hersteller               | Aviva                                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                             |
| Kategorie                | Proteine/Peptide                                                                                                                                                                   |
| Applikation              | IHC, WB                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                              |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human ZNF195                                                                                        |
| Produktbeschreibung      | ZNF195 contains 1 KRAB domain and 10 C2H2-type zinc fingers and belongs to the krueppel C2H2-type zinc-finger protein family. It may be involved in transcriptional regulation.... |
| Klonalität               | Polyclonal                                                                                                                                                                         |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                          |
| Molekulargewicht         | 72kDa                                                                                                                                                                              |
| NCBI                     | <a href="#">7748</a>                                                                                                                                                               |
| UniProt                  | <a href="#">O14628</a>                                                                                                                                                             |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
