## Product Datasheet

### **DNASE2B Antibody - middle region : FITC (ARP42596\_P050-FITC), Rabbit, Polyclonal** **ASB-ARP42596\_P050-FITC**

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | DNASE2B Antibody - middle region : FITC (ARP42596_P050-FITC), Rabbit, Polyclonal         |
| Artikelnummer            | ASB-ARP42596_P050-FITC                                                                   |
| Hersteller Artikelnummer | ARP42596_P050-FITC                                                                       |
| Alternativnummer         | ASB-ARP42596_P050-FITC-100UL                                                             |
| Hersteller               | Aviva                                                                                    |
| Wirt                     | Rabbit                                                                                   |
| Kategorie                | Antikörper                                                                               |
| Applikation              | WB                                                                                       |
| Spezies Reaktivität      | Bovine, Equine, Guinea pig, Human, Porcine, Rat                                          |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human DNASE2B |
| Konjugation              | FITC                                                                                     |
| Klonalität               | Polyclonal                                                                               |
| Konzentration            | 0.5 mg/ml                                                                                |
| Molekulargewicht         | 39kDa                                                                                    |
| NCBI                     | <a href="#">58511</a>                                                                    |
| UniProt                  | <a href="#">Q8WZ79</a>                                                                   |

|              |                                                      |
|--------------|------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer. |
