## Product Datasheet

### DCAF16 Antibody - N-terminal region ASB-ARP73659\_P050

|                          |                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------|
| Artikelname              | DCAF16 Antibody - N-terminal region                                                               |
| Artikelnummer            | ASB-ARP73659_P050                                                                                 |
| Hersteller Artikelnummer | ARP73659_P050                                                                                     |
| Alternativnummer         | ASB-ARP73659_P050-25UL,ASB-ARP73659_P050-100UL                                                    |
| Hersteller               | Aviva                                                                                             |
| Wirt                     | Rabbit                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                  |
| Applikation              | WB                                                                                                |
| Spezies Reaktivität      | Human                                                                                             |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N-terminal region of Human DCAF16       |
| Produktbeschreibung      | DCAF16 may function as a substrate receptor for CUL4-DDB1 E3 ubiquitin-protein ligase complex.... |
| Klonalität               | Polyclonal                                                                                        |
| Konzentration            | 0.5 mg/ml                                                                                         |
| Molekulargewicht         | 24 kDa                                                                                            |
| NCBI                     | <a href="#">54876</a>                                                                             |
| UniProt                  | <a href="#">Q9NXF7</a>                                                                            |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
