| Wirt                     | Rabbit                                                                                                                                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                         |
| Applikation              | WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                    |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of mouse TMOD1                                                                                                                                                                   |
| Produktbeschreibung      | Blocks the elongation and depolymerization of the actin filaments at the pointed end. The Tmod/TM complex contributes to the formation of the short actin protofilament, which in turn defines the geometry of the membrane skeleton (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                               |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                |
| Molekulargewicht         | 40 kDa                                                                                                                                                                                                                                                   |
| NCBI                     | <a href="#">21916</a>                                                                                                                                                                                                                                    |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| UniProt      | <a href="#">P49813</a>                                                                            |
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
