| Artikelname              | PYY Antibody - C-terminal region                                                                                                                                 |
| Artikelnummer            | ASB-OAAB02520                                                                                                                                                    |
| Hersteller Artikelnummer | OAAB02520                                                                                                                                                        |
| Alternativnummer         | ASB-OAAB02520-400UL                                                                                                                                              |
| Hersteller               | Aviva                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Proteine/Peptide                                                                                                                                                 |
| Applikation              | FC, IF, IHC, WB                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                            |
| Immunogen                | This PYY antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 67-94 amino acids from the C-terminal region of human PYY. |
| Klonalität               | Polyclonal                                                                                                                                                       |
| Konzentration            | Approximately 0.5mg/ml. Actual concentration varies with each lot.                                                                                               |
| Molekulargewicht         | 11145 Da                                                                                                                                                         |
| NCBI                     | <a href="#">5697</a>                                                                                                                                             |
| UniProt                  | <a href="#">P10082</a>                                                                                                                                           |

|              |                                                                                                                                                                              |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
