## Product Datasheet

### **ZNF385B Antibody - N-terminal region** **ASB-OAAB03196**

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ZNF385B Antibody - N-terminal region                                                                                                     |
| Artikelnummer            | ASB-OAAB03196                                                                                                                            |
| Hersteller Artikelnummer | OAAB03196                                                                                                                                |
| Alternativnummer         | ASB-OAAB03196-400UL                                                                                                                      |
| Hersteller               | Aviva                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                         |
| Applikation              | IHC, WB                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse                                                                                                                             |
| Immunogen                | This Z385B antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 1-30 amino acids of human Z385B. |
| Klonalität               | Polyclonal                                                                                                                               |
| Konzentration            | Approximately 0.5mg/ml. Actual concentration varies with each lot.                                                                       |
| Molekulargewicht         | 50407 Da                                                                                                                                 |
| NCBI                     | <a href="#">151126</a>                                                                                                                   |
| UniProt                  | <a href="#">Q569K4</a>                                                                                                                   |

|              |                                                                                                                                                                              |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
