| Hersteller Artikelnummer | OAAB04513                                                                                                                                                         |
| Alternativnummer         | ASB-OAAB04513-400UL                                                                                                                                               |
| Hersteller               | Aviva                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                                                                  |
| Applikation              | FC, IHC, WB                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                             |
| Immunogen                | This GPT antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 86-112 amino acids from the N-terminal region of human GPT. |
| Klonalität               | Polyclonal                                                                                                                                                        |
| Konzentration            | Approximately 0.5mg/ml. Actual concentration varies with each lot.                                                                                                |
| Molekulargewicht         | 54637 Da                                                                                                                                                          |
| NCBI                     | <a href="#">2875</a>                                                                                                                                              |
