| Artikelname              | CYP26C1 Antibody - C-terminal region                                                                                                                                       |
| Artikelnummer            | ASB-OAAB04971                                                                                                                                                              |
| Hersteller Artikelnummer | OAAB04971                                                                                                                                                                  |
| Alternativnummer         | ASB-OAAB04971-400UL                                                                                                                                                        |
| Hersteller               | Aviva                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                     |
| Kategorie                | Proteine/Peptide                                                                                                                                                           |
| Applikation              | IHC, WB                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                               |
| Immunogen                | This CYP26C1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 410-439 amino acids from the C-terminal region of human CYP26C1. |
| Klonalität               | Polyclonal                                                                                                                                                                 |
| Konzentration            | Approximately 0.5mg/ml. Actual concentration varies with each lot.                                                                                                         |
| Molekulargewicht         | 57111 Da                                                                                                                                                                   |
| NCBI                     | <a href="#">340665</a>                                                                                                                                                     |
| UniProt                  | <a href="#">Q6V0L0</a>                                                                                                                                                     |

|              |                                                                                                                                                                                           |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is prepared by Saturated Ammonium Sulfate (SAS) precipitation followed by dialysis against PBS. |
