| Alternativnummer         | ASB-ARP47153_T100-25UL, ASB-ARP47153_T100-100UL                                                                                                                               |
| Hersteller               | Aviva                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Canine, Human, Mouse, Rat, Yeast                                                                                                                                      |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human NPDC1                                                                                    |
| Produktbeschreibung      | NPDC1 suppresses oncogenic transformation in neural and non-neural cells and down-regulates neural cell proliferation. It might be involved in transcriptional regulation.... |
| Klonalität               | Polyclonal                                                                                                                                                                    |
| Konzentration            | 1.0 mg/ml                                                                                                                                                                     |
| Molekulargewicht         | 34kDa                                                                                                                                                                         |
| NCBI                     | <a href="#">56654</a>                                                                                                                                                         |
| UniProt                  | <a href="#">Q9NQX5</a>                                                                                                                                                        |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
