| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant Human LIM and senescent cell antigen-like-containing domain protein 1 protein (1-325AA)                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Adapter protein in a cytoplasmic complex linking beta-integrins to the actin cytoskeleton, bridges the complex to cell surface receptor tyrosine kinases and growth factor receptors. Involved in the regulation of cell survival, cell proliferation and ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| NCBI                     | <a href="#">3987</a>                                                                                                                                                                                                                                          |
| Formulierung             | Liquid                                                                                                                                                                                                                                                        |
