| Alternativnummer         | ASB-ARP55853_P050-25UL,ASB-ARP55853_P050-100UL                                                                  |
| Hersteller               | Aviva                                                                                                           |
| Wirt                     | Rabbit                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                |
| Applikation              | WB                                                                                                              |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                        |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human OSGIN1                     |
| Produktbeschreibung      | OSGIN1 regulates the differentiation and proliferation of normal cells through the regulation of cell death.... |
| Klonalität               | Polyclonal                                                                                                      |
| Konzentration            | 0.5 mg/ml                                                                                                       |
| Molekulargewicht         | 61kDa                                                                                                           |
| NCBI                     | <a href="#">29948</a>                                                                                           |
| UniProt                  | <a href="#">Q9UJX0</a>                                                                                          |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
