| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat                                                                                                                                                                                        |
| Immunogen                | The immunogen is a synthetic peptide corresponding to a region of Rat                                                                                                                                                                                         |
| Produktbeschreibung      | Pnrc2 is involved in nonsense-mediated mRNA decay (NMD) by acting as a bridge between the mRNA decapping complex and the NMD machinery. It may act by targeting the NMD machinery to the P-body and recruiting the decapping machinery to aberrant mRNAs. ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 15kDa                                                                                                                                                                                                                                                         |
