## Product Datasheet

### Abi3 Antibody - C-terminal region ASB-ARP63503\_P050

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | Abi3 Antibody - C-terminal region                                                                |
| Artikelnummer            | ASB-ARP63503_P050                                                                                |
| Hersteller Artikelnummer | ARP63503_P050                                                                                    |
| Alternativnummer         | ASB-ARP63503_P050-25UL,ASB-ARP63503_P050-100UL                                                   |
| Hersteller               | Aviva                                                                                            |
| Wirt                     | Rabbit                                                                                           |
| Kategorie                | Proteine/Peptide                                                                                 |
| Applikation              | WB                                                                                               |
| Spezies Reaktivität      | Bovine, Canine, Equine, Human, Mouse, Porcine, Rabbit, Rat                                       |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C-terminal region of Mouse Abi3        |
| Produktbeschreibung      | Abi3 inhibits ectopic tumor cell metastasis of SRD cells. In vitro, It reduces cell motility.... |
| Klonalität               | Polyclonal                                                                                       |
| Konzentration            | 0.5 mg/ml                                                                                        |
| Molekulargewicht         | 39 kDa                                                                                           |
| NCBI                     | <a href="#">66610</a>                                                                            |
| UniProt                  | <a href="#">Q8BYZ1</a>                                                                           |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
