Product Datasheet

APC Antibody - C-terminal region ASB-OAGA05270

Artikelname	APC Antibody - C-terminal region
Artikelnummer	ASB-OAGA05270
Hersteller Artikelnummer	OAGA05270
Alternativnummer	ASB-OAGA05270-100UL
Hersteller	Aviva
Wirt	Rabbit
Kategorie	Proteine/Peptide
Applikation	ICC, IF, IHC, IHC-P, WB
Spezies Reaktivität	Human, Mouse, Rat
Immunogen	Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human APC. The exact sequence is proprietary.
Produktbeschreibung	This gene encodes a tumor suppressor protein that acts as an antagonist of the Wnt signaling pathway. It is also involved in other processes including cell migration and adhesion, transcriptional activation, and apoptosis. Defects in this gene cause ...
Klonalität	Polyclonal
Konzentration	0.5 mg/ml
NCBI	324

Puffer	0.1M Tris, 0.1M Glycine, 20% Glycerol (pH7). 0.01% Thimerosal was added as a preservative.
Formulierung	Liquid
