| Hersteller               | Aviva                                                                                                                                                                                                                                      |
| Wirt                     | Mouse                                                                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                           |
| Applikation              | IHC, WB                                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                      |
| Immunogen                | The immunogen for anti-TARDBP antibody: anti-human TARDBP mAb, is derived from hybridization of mouse FO myeloma cells with spleen cells from BALB/c mice immunized with recombinant human TARDBP amino acids 1-260 purified from E. coli. |
| Produktbeschreibung      | Mouse Anti Human TAR DNA-binding protein 43...                                                                                                                                                                                             |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                 |
| Klon-Bezeichnung         | [Pk1B8AT.]                                                                                                                                                                                                                                 |
| NCBI                     | <a href="#">23435</a>                                                                                                                                                                                                                      |
| Reinheit                 | TARDBP antibody was purified from mouse ascitic fluids by protein-G affinity chromatography.                                                                                                                                               |

|              |                                                     |
|--------------|-----------------------------------------------------|
| Formulierung | 1mg/ml containing PBS, pH-7.4, & 0.1% Sodium Azide. |
