| Hersteller               | Aviva                                                                                                                                                                                                                                      |
| Wirt                     | Mouse                                                                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                           |
| Applikation              | IF, WB                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                      |
| Immunogen                | The immunogen for anti-TUBB2B antibody: anti-human TUBB2b mAb, is derived from hybridization of mouse F0 myeloma cells with spleen cells from BALB/c mice immunized with recombinant human TUBB2b amino acids 1-445 purified from E. coli. |
| Produktbeschreibung      | Mouse Anti Human Tubulin beta-2B chain...                                                                                                                                                                                                  |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                 |
| Klon-Bezeichnung         | [PAT5B2AT]                                                                                                                                                                                                                                 |
| NCBI                     | <a href="#">347733</a>                                                                                                                                                                                                                     |
| Reinheit                 | TUBB2b antibody was purified from mouse ascitic fluids by protein-G affinity chromatography.                                                                                                                                               |

|              |                                                     |
|--------------|-----------------------------------------------------|
| Formulierung | 1mg/ml containing PBS, pH-7.4, & 0.1% Sodium Azide. |
