| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Synthesized peptide derived from human Smad3 around the phosphorylation site of S213. Location: 150-230aa.                                                                                                                                                    |
| Produktbeschreibung      | The protein encoded by this gene belongs to the SMAD, a family of proteins similar to the gene products of the Drosophila gene mothers against decapentaplegic (Mad) and the C. elegans gene Sma. SMAD proteins are signal transducers and transcriptional... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molekulargewicht         | 48 kDa                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">4088</a>                                                                                                                                                                                                                                          |

|              |                                                                                  |
|--------------|----------------------------------------------------------------------------------|
| Formulierung | Liquid. 1 mg/mL in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
