| Hersteller Artikelnummer | OASG06738                                                                                                                                                                                                                                                     |
| Alternativnummer         | ASB-OASG06738-100UL                                                                                                                                                                                                                                           |
| Hersteller               | Aviva                                                                                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | Synthesized peptide derived from the C-terminal region of human SnoN. Location: 590-670aa.                                                                                                                                                                    |
| Produktbeschreibung      | The protein encoded by this gene is a component of the SMAD pathway, which regulates cell growth and differentiation through transforming growth factor-beta (TGFB). In the absence of ligand, the encoded protein binds to the promoter region of TGFB-re... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molekulargewicht         | 77 kDa                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">6498</a>                                                                                                                                                                                                                                          |

|              |                                                                                  |
|--------------|----------------------------------------------------------------------------------|
| Formulierung | Liquid. 1 mg/mL in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
