| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                                                                                    |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human BCL2 around the phosphorylation site of Ser70. AA range:36-85                                                                                                                       |
| Produktbeschreibung      | BCL2 encodes an integral outer mitochondrial membrane protein that blocks the apoptotic death of some cells such as lymphocytes. Constitutive expression of BCL2, such as in the case of translocation of BCL2 to Ig heavy chain locus, is thought to be t... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molekulargewicht         | 26kD                                                                                                                                                                                                                                                          |

|                        |                                                                                     |
|------------------------|-------------------------------------------------------------------------------------|
| Application Verdünnung | Western Blot: 1/500 - 1/2000. ELISA: 1/40000. Not yet tested in other applications. |
