| Hersteller               | ELK Biotechnology                                                                                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human POLD1. AA range:1051-1100                                                                                                                                                           |
| Produktbeschreibung      | This gene encodes the 125-kDa catalytic subunit of DNA polymerase delta. DNA polymerase delta possesses both polymerase and 3 to 5 exonuclease activity and plays a critical role in DNA replication and repair. Alternatively spliced transcript variants... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molekulargewicht         | 110 124kD                                                                                                                                                                                                                                                     |
| NCBI                     | <a href="#">5424</a>                                                                                                                                                                                                                                          |

|                        |                                                                                     |
