| Hersteller               | ELK Biotechnology                                                                                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human BCL7A. AA range:21-70                                                                                                                                                               |
| Produktbeschreibung      | This gene is directly involved, with Myc and IgH, in a three-way gene translocation in a Burkitt lymphoma cell line. As a result of the gene translocation, the N-terminal region of the gene product is disrupted, which is thought to be related to the ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molekulargewicht         | 22kD                                                                                                                                                                                                                                                          |
| NCBI                     | <a href="#">605</a>                                                                                                                                                                                                                                           |

|                        |                                                                                    |
