| Artikelname              | Nectin 3 (PVRL3, PRR3, Poliovirus receptor-related protein 3, CDw113, Nectin-3, CD antigen CD113), Rabbit                                                                                                                                                     |
| Artikelnummer            | USB-325486                                                                                                                                                                                                                                                    |
| Hersteller Artikelnummer | 325486                                                                                                                                                                                                                                                        |
| Alternativnummer         | USB-325486-50, USB-325486-100                                                                                                                                                                                                                                 |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to the Internal region of human Nectin 3.                                                                                                                                                                                     |
| Produktbeschreibung      | Applications: Suitable for use in Western Blot and ELISA. Other applications not tested. Recommended Dilution: Western Blot: 1:500-1:2000 ELISA: 1:20,000 Optimal dilutions to be determined by the researcher. Storage and Stability: May be stored at 4C... |
| UniProt                  | <a href="#">Q9NQS3</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, 0.5% BSA, 0.02% sodium azide, 50% glycerol.                                                                                                                                                                                      |
