## Product Datasheet

### Cytosine deaminase Polyclonal Antibody, PE Conjugated, Rabbit BSS-BS-2950R-PE

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| Artikelname              | Cytosine deaminase Polyclonal Antibody, PE Conjugated, Rabbit                                           |
| Artikelnummer            | BSS-BS-2950R-PE                                                                                         |
| Hersteller Artikelnummer | bs-2950R-PE                                                                                             |
| Alternativnummer         | BSS-BS-2950R-PE-100                                                                                     |
| Hersteller               | Bioss                                                                                                   |
| Wirt                     | Rabbit                                                                                                  |
| Kategorie                | Antikörper                                                                                              |
| Applikation              | IF                                                                                                      |
| Spezies Reaktivität      | Yeast                                                                                                   |
| Konjugation              | PE                                                                                                      |
| Produktbeschreibung      | Converts cytosine to uracil or 5-methylcytosine to thymine by deaminating carbon number 4....           |
| Klonalität               | Polyclonal                                                                                              |
| Konzentration            | 1ug/ul                                                                                                  |
| NCBI                     | <a href="#">856175</a>                                                                                  |
| UniProt                  | <a href="#">Q12178</a>                                                                                  |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from Saccharomyces cerevisiae (strain ATCC 204508 / S288c) Cytosine aminohydrolase |
| Target-Kategorie       | Cytosine deaminase                                                                                                          |
| Application Verdünnung | IF(ICC)(1:50-200)                                                                                                           |
