| Artikelname              | UNQ3104 Antibody, Rabbit, Polyclonal                                                                       |
| Artikelnummer            | NSJ-F40017-0.08ML                                                                                          |
| Hersteller Artikelnummer | F40017-0.08ML                                                                                              |
| Alternativnummer         | NSJ-F40017-0.08ML                                                                                          |
| Hersteller               | NSJ Bioreagents                                                                                            |
| Wirt                     | Rabbit                                                                                                     |
| Kategorie                | Antikörper                                                                                                 |
| Applikation              | ELISA, WB                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                      |
| Immunogen                | A portion of amino acids 14-42 from the human protein was used as the immunogen for this UNQ3104 antibody. |
| Produktbeschreibung      | The function of this protein remains unknown....                                                           |
| Klonalität               | Polyclonal                                                                                                 |
| UniProt                  | <a href="#">Q6UY24</a>                                                                                     |
| Reinheit                 | Antigen affinity                                                                                           |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                 |
| Antibody Type            | Primary Antibody                                                                                           |
| Application Verdünnung   | Western blot: 1:1000                                                                                       |

|                        |                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Titration of the UNQ3104 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
