| Alternativnummer         | USB-583281-100                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to 19 amino acids near the C-terminus of SARS-CoV-2 (COVID-19) Spike RBD glycoprotein.                                                                                                                                        |
| Produktbeschreibung      | Coronavirus disease 2019 (COVID-19), formerly known as 2019-nCoV acute respiratory disease, is an infectious disease caused by SARS-CoV-2, a virus closely related to the SARS virus (1). The disease is the cause of the 2019-20 coronavirus outbreak (2)... |
| NCBI                     | <a href="#">43416</a>                                                                                                                                                                                                                                         |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, 0.02% sodium azide.                                                                                                                                                                                                              |
