| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Human                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Immunogen                | Recombinant protein corresponding to SARS-CoV-2 Spike, expressed in CHO cells.                                                                                                                                                                                |
| Produktbeschreibung      | Applications: Suitable for use in Functional Assays. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and Stability: May be stored at 4C for short-term only. Aliquot to avoid repeated ... |
| UniProt                  | <a href="#">P0DTC2</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A/G affinity chromatography. 95%. Endotoxin: 1EU/mg (LAL)                                                                                                                                                                                 |
| Formulierung             | Supplied as a liquid in PBS. No preservative added.                                                                                                                                                                                                           |
| CAS Nummer               | [2423943-37-5]                                                                                                                                                                                                                                                |
