## Product Datasheet

**Chondroitin Sulfate Proteoglycan, Carbohydrate Epitope (NG2, CSPG),  
IgM, Clone: [2Q27 Cat-316], Mouse, Monoclonal  
USB-C5067-70A**

|                          |                                                                                                                                                                                                                                                                            |
