| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Formalin inactivated Ebola virus (strain Zaire).                                                                                                                                                                                                              |
| Produktbeschreibung      | MaxLight(TM) 650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Co... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [FE37]                                                                                                                                                                                                                                                        |
| Isotyp                   | IgG2a                                                                                                                                                                                                                                                         |

|              |                                                                                           |
|--------------|-------------------------------------------------------------------------------------------|
| Reinheit     | Purified by Protein G affinity chromatography.                                            |
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)650. |
