| Hersteller Artikelnummer | I1890-05E                                                                                                                                                                                                                                                      |
| Alternativnummer         | USB-I1890-05E-1                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | FLISA, IF, WB                                                                                                                                                                                                                                                  |
| Immunogen                | Human IgA a alpha chain                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Applications: Suitable for use in Immunofluorescence and FLISA. Other applications have not been tested. Recommended Dilution: IF Immunomicroscopy: 1:500-1:2500 Optimal dilutions to be determined by the researcher. Label: Fluorescein isothiocyanate (...) |
| Reinheit                 | Prepared from monospecific antiserum by immunoaffinity chromatography using Human IgA coupled to agarose beads followed by solid phase adsorption(s) to remove any unwanted reactivities.                                                                      |
| Formulierung             | FITC conjugated. Lyophilized in 0.02 M Potassium Phosphate, 0.15M sodium chloride, pH 7.2, 10mg/ml BSA (IgG and Protease free), 0.01% sodium azide                                                                                                             |
