### Human Tumor necrosis factor superfamily 15 (TNFSF15) ELISA Kit ASC-KTE60204

Artikelname	Human Tumor necrosis factor superfamily 15 (TNFSF15) ELISA Kit
Artikelnummer	ASC-KTE60204
Hersteller Artikelnummer	KTE60204
Alternativnummer	ASC-KTE60204-48, ASC-KTE60204-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Anwendungsbeschreibung

This Human Tumor necrosis factor superfamily 15 (TNFSF15) ELISA Kit employs a two-site sandwich ELISA to quantitate TNFSF15 in samples. An antibody specific for TNFSF15 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any TNFSF15 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for TNFSF15 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of TNFSF15 bound in the initial step. The color development is stopped and the intensity of the color is measured.
