Human Leukosialin (SPN) ELISA Kit ASC-KTE60329

Artikelname	Human Leukosialin (SPN) ELISA Kit
Artikelnummer	ASC-KTE60329
Hersteller Artikelnummer	KTE60329
Alternativnummer	ASC-KTE60329-48, ASC-KTE60329-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Leukosialin (SPN) ELISA Kit employs a two-site sandwich ELISA to quantitate SPN....

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Leukosialin (SPN) ELISA Kit employs a two-site sandwich ELISA to quantitate SPN in samples. An antibody specific for SPN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SPN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SPN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SPN bound in the initial step. The color development is stopped and the intensity of the color is measured.
