Human Spondin-2 (SPON2) ELISA Kit ASC-KTE60339

Artikelname	Human Spondin-2 (SPON2) ELISA Kit
Artikelnummer	ASC-KTE60339
Hersteller Artikelnummer	KTE60339
Alternativnummer	ASC-KTE60339-48, ASC-KTE60339-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Spondin-2 (SPON2) ELISA Kit employs a two-site sandwich ELISA to quantitate SPON2 in samples. An antibody specific for SPON2 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SPON2 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SPON2 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SPON2 bound in the initial step. The color development is stopped and the intensity of the color is measured.
