### Human Sorcin (SRI) ELISA Kit ASC-KTE60358

Artikelname	Human Sorcin (SRI) ELISA Kit
Artikelnummer	ASC-KTE60358
Hersteller Artikelnummer	KTE60358
Alternativnummer	ASC-KTE60358-48, ASC-KTE60358-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Sorcin (SRI) ELISA Kit employs a two-site sandwich ELISA to quantitate SRI....

Anwendungsbeschreibung

This Human Sorcin (SRI) ELISA Kit employs a two-site sandwich ELISA to quantitate SRI in samples. An antibody specific for SRI has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SRI present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SRI is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SRI bound in the initial step. The color development is stopped and the intensity of the color is measured.
