Human Striatin (STRN) ELISA Kit ASC-KTE60393

Artikelname	Human Striatin (STRN) ELISA Kit
Artikelnummer	ASC-KTE60393
Hersteller Artikelnummer	KTE60393
Alternativnummer	ASC-KTE60393-48, ASC-KTE60393-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Striatin (STRN) ELISA Kit employs a two-site sandwich ELISA to quantitate STRN....

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Striatin (STRN) ELISA Kit employs a two-site sandwich ELISA to quantitate STRN in samples. An antibody specific for STRN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any STRN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for STRN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of STRN bound in the initial step. The color development is stopped and the intensity of the color is measured.
