Human Syntaxin-1A (STX1A) ELISA Kit ASC-KTE60398

Artikelname	Human Syntaxin-1A (STX1A) ELISA Kit
Artikelnummer	ASC-KTE60398
Hersteller Artikelnummer	KTE60398
Alternativnummer	ASC-KTE60398-48, ASC-KTE60398-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Syntaxin-1A (STX1A) ELISA Kit employs a two-site sandwich ELISA to quantitate STX1A....

Anwendungsbeschreibung

This Human Syntaxin-1A (STX1A) ELISA Kit employs a two-site sandwich ELISA to quantitate STX1A in samples. An antibody specific for STX1A has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any STX1A present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for STX1A is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of STX1A bound in the initial step. The color development is stopped and the intensity of the color is measured.
