### Human Autoimmune regulator (AIRE) ELISA Kit ASC-KTE60636

Artikelname	Human Autoimmune regulator (AIRE) ELISA Kit
Artikelnummer	ASC-KTE60636
Hersteller Artikelnummer	KTE60636
Alternativnummer	ASC-KTE60636-48, ASC-KTE60636-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Autoimmune regulator (AIRE) ELISA Kit employs a two-site sandwich ELISA to quantitate AIRE....

Anwendungsbeschreibung

This Human Autoimmune regulator (AIRE) ELISA Kit employs a two-site sandwich ELISA to quantitate AIRE in samples. An antibody specific for AIRE has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any AIRE present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for AIRE is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of AIRE bound in the initial step. The color development is stopped and the intensity of the color is measured.
