Human S-phase kinase-associated protein 2 (SKP2) ELISA Kit ASC-KTE60646

Artikelname	Human S-phase kinase-associated protein 2 (SKP2) ELISA Kit
Artikelnummer	ASC-KTE60646
Hersteller Artikelnummer	KTE60646
Alternativnummer	ASC-KTE60646-48, ASC-KTE60646-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human S-phase kinase-associated protein 2 (SKP2) ELISA Kit employs a two-site sandwich ELISA to quantitate SKP2 in samples. An antibody specific for SKP2 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SKP2 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SKP2 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SKP2 bound in the initial step. The color development is stopped and the intensity of the color is measured.
