## Product Datasheet

### Human Suprabasin (SBSN) ELISA Kit ASC-KTE60748

Artikelname	Human Suprabasin (SBSN) ELISA Kit
Artikelnummer	ASC-KTE60748
Hersteller Artikelnummer	KTE60748
Alternativnummer	ASC-KTE60748-48, ASC-KTE60748-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Suprabasin (SBSN) ELISA Kit employs a two-site sandwich ELISA to quantitate SBSN....

Anwendungsbeschreibung

This Human Suprabasin (SBSN) ELISA Kit employs a two-site sandwich ELISA to quantitate SBSN in samples. An antibody specific for SBSN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SBSN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SBSN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SBSN bound in the initial step. The color development is stopped and the intensity of the color is measured.
