Human Regulator of G-protein signaling 19 (RGS19) ELISA Kit ASC-KTE60800

Artikelname	Human Regulator of G-protein signaling 19 (RGS19) ELISA Kit
Artikelnummer	ASC-KTE60800
Hersteller Artikelnummer	KTE60800
Alternativnummer	ASC-KTE60800-48, ASC-KTE60800-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Regulator of G-protein signaling 19 (RGS19) ELISA Kit employs a two-site sandwich ELISA to quantitate RGS19....

Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung

This Human Regulator of G-protein signaling 19 (RGS19) ELISA Kit employs a two-site sandwich ELISA to quantitate RGS19 in samples. An antibody specific for RGS19 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any RGS19 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for RGS19 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of RGS19 bound in the initial step. The color development is stopped and the intensity of the color is measured.
