## Product Datasheet

### Human Replication initiator 1 (REPIN1) ELISA Kit ASC-KTE60806

Artikelname	Human Replication initiator 1 (REPIN1) ELISA Kit
Artikelnummer	ASC-KTE60806
Hersteller Artikelnummer	KTE60806
Alternativnummer	ASC-KTE60806-48, ASC-KTE60806-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Replication initiator 1 (REPIN1) ELISA Kit employs a two-site sandwich ELISA to quantitate REPIN1....

Anwendungsbeschreibung

This Human Replication initiator 1 (REPIN1) ELISA Kit employs a two-site sandwich ELISA to quantitate REPIN1 in samples. An antibody specific for REPIN1 has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any REPIN1 present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for REPIN1 is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of REPIN1 bound in the initial step. The color development is stopped and the intensity of the color is measured.
